Checklist of items customer may find useful for the Tic-Tac-Toe game:

Foul line and/or boundary marking options:	
<i>Surface game will be played on:</i>	<i>Suggested Marking:</i>
Asphalt or concrete	Chalk or Tape
Grass or Dirt	Tape, ribbon tacked in place, or spraypaint
Wall or fence behind game to reduce need to run after missed throws.	
Prizes for players who get three in a row Across, Down or Diagonal by tossing the balls.	

### Instructions:

1. Attach the 2 -yellow legs pieces to the bottom of the Green plastic base.
2. Locate the game where the missed throws will be stopped by a wall or fence.
3. Make sure the Tic-Tac-Toe base has the painted side up.
4. Measure out three to five feet from the front of the game and make a foul line (with chalk, tape, or lay a piece of wood in place). Change the distance as you see fit for the type of players you will have.
5. Have players throw the plastic balls from behind the foul line and attempt to land the three balls in the square cut out holes to be in a row Across, Down or Diagonal to win.
6. Depending on your plans and resources, prizes can be awarded for getting the three balls in a row to make Tic-Tac-Toe .
